

Converge

Strengthening **Fragile** Relationships

www.convergeforlife.com

Converge, a family dispute resolution service, is strongly committed to reducing the negative impact of conflict within schools, families and communities.

Converge provides a mediator, who is independent and neutral, to help people to discuss and resolve their disputes. Common triggers of conflict causing a strain or complete breakdown of relationships include:

- **Bullying within schools**
- **Poor communication between couples**
- **Shame, honour and cultural differences within families**
- **Mental illness**
